

## Combined Fund Drive

Great news for **Washington state, county and municipal employees as well as retirees!** We now have a new, easy way to donate! Now you can make automatic, recurring donations through the state's Combined Fund Drive (CFD).

*People can donate any time - 24/7, 365 days a year, online.*

### 4 easy steps!

1. Go to [www.cfd.wa.gov](http://www.cfd.wa.gov) and **click on "Donate."**
2. Go to "**Charity Name**", then **type "health care for all"** (not case-sensitive). Leave all other fields blank.
3. **Click "search"**, then **scroll down below** the search button. It will say, "1 charity found" followed by information about HCFA-WA. A bit below that, **click on "Start Giving to this Charity."**
4. Follow instructions to enter your donation amount, how often (monthly), etc. Continue further to enter first name, last name, etc. (If retired, click where it says: "Are you a retired employee? Give here.")

**That's it! Thanks!**

**Spread the word!** Please get everyone you know who is a state employee or retiree to try this and let us know how it works!

*[What is the CFD? Created in 1984, the Combined Fund Drive (CFD) was established to consolidate the numerous charitable fundraising campaigns being conducted on state worksites. Employees can give through payroll contribution. The program raises millions of dollars for local, national and global charities.]*
